LEAD for EDUCATION

About SZABIST

Shaheed Zulfikar Ali Bhutto Institute of Science and Technology (SZABIST) is highly ranked and fully chartered institute of Pakistan established through a Legislative Act of Sindh Assembly (Sindh Act No. XI of 1995). It is approved and recognized by the Higher Education Commission (HEC) Pakistan as a degree awarding institution. All the programs offered at SZABIST are consistent with the guidelines laid by HEC and other regulatory bodies, for example, National Business Education Accreditation Council (NBEAC), National Computing Education Accreditation Council (NCEAC), National Accreditation Council for Teacher Education (NACTE), and Pakistan Engineering Council (PEC).

HEC & CIEC Ranking

SZABIST is ranked as one of the most reputed university by Higher Education Commission (HEC) and Chartered Inspection and Evaluation Committee (CIEC) Sindh. All programs of SZABIST are conducted under strict compliance of the relevant regulator bodies such as NBEAC, NCEAC, NACTE, PEC and KHDA Dubai. Since 2012, the SZABIST-QEC has been awarded more than 91% in the quantitative assessment by Quality Assurance Agency (QAA) HEC, Pakistan.

Department of Education at SZABIST

The establishment of the Department of Education was conceptualized by Dr. Azra Fazal Pechuho, Chancellor SZABIST, the member of Provincial Assembly of Sindh and Minister of Health. The department thrives on her profound support and commitment to education in Pakistan.

The Department of Education also benefits from the esteemed guidance of Ms. Shahnaz Wazir Ali, President SZABIST, a renowned educationist, Former Minister of State for Education, Former Member of National Assembly of Pakistan, and Senior Education Specialist at World Bank, with over 35 years of experience in educational reform and policy.

We are committed to improve the quality of education in Pakistan, with the help of the following highly qualified and dedicated faculty members.

B.Ed (Secondary) 1.5 Years

The Bachelor of Education (B.Ed. Secondary) 1.5 years program at SZABIST is intended to help pre-service and in-service teachers develop the required knowledge and skills to enter the educational sector as a competent and knowledgeable teacher with a grip on teaching different subjects in secondary grades in public and private sector. The proposed program has been specifically designed for students from non-educational background who want to now shift to serving and getting a degree in education. After the program completion, students will be eligible to apply for the MS/MPhil in Education.

Program Mission:

B.Ed. program strives to prepare thoughtful, knowledgeable, lifelong learners who have extensive knowledge about working with students of various age groups and who understand the inherent richness of educational endeavors. The program's mission is to help students' get familiar with the complexities of learning, human development, and sound pedagogical principles as well as develop grounding in content knowledge and research. The program's goal is to prepare graduates who are committed to supporting just, engaging, and successful communities of diverse learners.

Program Objectives

The program aims to prepare skilled teachers through an intensive teacher education program. It will equip students not only with content and pedagogical knowledge and skills but also with research driven instructional practices.

Program Structure

B.Ed. (Secondary) is a 1.5 years degree program offered to pre-service and in-service teachers. It is a 54 credit hour program with 12 core courses (3 credit hours each), 4 content specialized courses (3 credit hours each), 3 credit hours teaching practice and 3 credit hours research project. The maximum time limit to complete the B.Ed. degree is four years.

Admission Requirements

- For admission in the B.Ed. program, the candidate must possess 16-years of Education (MA, M.Sc., M.Com. or equivalent) in any discipline like Sciences, Social Sciences, Humanities and others, with at least Second Division/2.00 CGPA from a university recognized by HEC.
- Last degree verification from HEC is required.

MA in Education (Evening)

The Department of Education offers MA in Education to in-service and pre-service teachers who have completed 14 years of basic education. MA Education offers three specializations. Teacher Education, Educational Leadership and Management and Early Childhood Education. The degree will focus on developing an effective teacher, with heavy emphasis on understanding teaching methods, educational leadership, philosophy of education, early childhood education and holistic educational development. The program also meets contemporary national and international trends in the field of education and research and is in conformity with the HEC guidelines.

Program Mission

The program envisages knowledge dissemination through critical analysis of theoretical principles in aspects of teacher education, educational leadership and management and early childhood education. It aims to provide teachers with a professional platform through which they can make informed decisions in the classrooms and emerge as competent practitioners. The program also aims to raise educational standards in the country through a thorough analysis of contemporary educational challenges at the national and international levels and proposes to deal with them through a fine blend of theory and practice

Program Structure

MA Education is a 2 years degree program offered to candidates who wish to pursue teaching as their career. It is a 63 credit hours program with 13 compulsory courses (3 credit hours each), 2 content specialization and Pedagogy related courses (3 credit hours each), 4 electives (3 credit hours each), 01 Teaching practice (3 credit hours) and a Thesis (3 credit hours). The candidates will have the opportunity to specialize in the field of Teacher Education, Educational Leadership and Management or Early Childhood Education.

Admission Requirements

- The candidate must have 14 years of education with minimum second division/2.0 CGPA from a university recognized by HEC.
- Last degree verification from HEC is required.
